O'Reilly for Higher Education

Prepare your students for lifelong learning.

Much more than books
The platform includes more than 35K book titles plus 30K+ hours of video, proven learning paths, case studies, interactive tutorials, audio books, and videos from O'Reilly's global conferences. Your students get access to exclusive O'Reilly content and resources from more than 200 of the world's best publishers.

Mobile, multidevice technology
Students interact with a modern, intuitive, and responsive interface that works on any screen size. Today's on-the-go learners can access information on the mobile app—anywhere, anytime—online or offline.

Unlimited user access
With our new pricing model, any number of students and faculty can use the platform at the same time, all the time, with pricing based on FTE.

Personalization for ease of use
Users get the kinds of experiences they expect with tailored content recommendations based on the material they like to read and watch. Personalization features include playlists for easy retrieval and content syncing across multiple devices, including notes, highlights, and bookmarks.

Prepare for tomorrow's careers
More than 2.25 million professionals in more than 4,000 businesses and government agencies learn with us every day. The O'Reilly Platform for Higher Education complements classroom curriculum, prepares users for future careers, and encourages lifelong learning.
